Sulla corda acquatica in equilibrio tra mondi d'aria
e natura seguo tracce leggere che affiorano tra
memorie e desideri. Il colore germoglia e cresce
nel cuore del mio spazio.

On the aquatic rope balancing worlds
of air and nature, I follow slight traces
which strewn among memories and
desires. The color sprouts and grows
in the heart of my space.

En équilibre entre le ciel et la terre
appariassent des souvenirs et des
désirs: la couleur naît dans le cœur de
mon espace.

In Balance zwischen Luft und Natur
folge ich leichte Spuren, welche
aus Erinnerungen und Wünschen
entstehen und die Farbe wächst in
meinem Herzen.

Sobre la cuerda acuática en equilibrio
entre mundos de aire y naturaleza sigo
los restos ligeros que afloran entre
memorias y deseos. El color florece y
crece en el corazón de mi espacio.

На воде, в гармонии мира из воздуха
и природы, я следую по следам
воспоминаний и желаний. И из
глубины сердца рождается цвет.

在水上，空气与自然世界的平衡，我跟
随着浮现在回忆和欲望之间的轻轻的痕
迹行走。色彩在我心中发芽，生长
